## Austin Tootle

This is Austin's senior year at FCA. He wrote and is directing tonight's production. He also is a dancer in High School Musical. He has also performed in numerous school plays such as Fiddler on the Roof, Madrigal Dinner Theaters, and Narnia. His favorite bible verse is Isaiah 41:10 "So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand." He is unsure what he wants to do after graduation but would like to do something with Broadway.

### ~ Thanks from Austin ~

I would like to thank God for everything he has provided me with. I would also like to thank my parents and grandparents for putting up with my crazy schedule and getting me everything I needed. Thank you Mrs. Allen, Mr. and Mrs. Burcham, Mr. Harris, Mrs. Barthelmas, Mrs. Hawks, Mrs. Johnson, and Mrs. Brake for helping me with this production. Leslie, thank you so much for helping me with everything from costumes to stage design to choreography. Thank you Sarah, Rochelle, Mariah, Brandon, Ruthie, Kelsey, Ariana, Andrew, Leah, Hannah, Lindsey and Caleb for helping me bring my ideas to life and putting them onto the stage. Also thank you for putting up with my anxiety for these past few months, I know it's been hard to handle. Thank you so much David, Abby, Leslie, Jenny, Jeremiah and Morgan for helping me with all the details out of school. Your hours of hard work were extremely beneficial to this production. Thank you parents for letting your children come to hours upon hours of practice. I would also like to thank all the cast and crew, without you, none of this would be possible, thank you for skipping sport practices and family events for this production. You are awesome. Last but not least I would like to thank everyone who bought a ticket to see our production. You are truly our inspiration to do our best.

## ~ About the Production ~

This year, Austin took upon the position as director/producer of the school's spring production for his senior project. He wanted to do something relating to theater and thought it would be a great learning experience. Austin has done everything from casting to stage design to costumes and all the other bells and whistles. Austin got strongly "encouraged" into being the director by his fellow classmates and it took off from there. On audition day, 70 plus students from K-12 came to try out. Austin said "At that point, I knew that it was going to be a lot to handle." Austin, Mrs. Allen and Lesley Bunton worked hours upon hours to not only make the show fun for the cast, but for the audience, too.

Mrs. Allen and Austin wanted to donate some of the proceeds to a charity.

When Austin was in 5th grade, Mrs. Cathy Barthelmas was his math teacher. That year, she started the "By the Way Foundation". Mrs. Allen and Austin thought it would be a great idea to involve Cathy and donate half the proceeds of the two night show to that charity.
