FROM THE SUPERINTENDENT

... Pursuing Excellence,
... Building Character

Parents and Staff,

Another school year has come to an end. It has been a very good year for our students and for FCA. There have been many accomplishments and student successes to celebrate. This is the 21st completed school year at FCA and our 17th graduating class.

THANK YOU to our Graduates and their parents! It has been an honor to partner with you in allowing FCA the opportunity to educate your child academically and spiritually.

Thank you to our returning 2019/2020 students and I look forward to next school year.

Every school year is unique and there won't be an exception to that next year. There are several new things that will happen and the staff are all excited, especially for our new high school bible curriculum and the physical improvements to our campus.

HAVE A GREAT SUMMER !!!!

FCA 2019-2020 Bible Verse

Romans 12:1-2

"Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship.² Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will".

This summer, work will continue on our outdoor athletic facility. This is a direct result of a generous private donation, support from the Athletic Boosters, and your successful fundraising efforts this year. Improvements will be made to the athletic field, as well as new locker rooms and a weight room in close proximity to the field. Some general remodeling will also create more space to give our athletes additional opportunities to work hard.

If you would like to be a part of this effort, here are some ways you can help:

- Donate time/talents in construction, concrete work, electrical, plumbing and heating.
- Donate money to complete the job. Visit fcaknights.org and click Donate Now.
- Spread the word about our need and opportunities to help.
- Get on board with fundraising. Contact Mrs. Keener to volunteer!

More information will follow in the fall, including opportunities for naming rights with leading gifts. Thank you for your prayerful support!
