FCA 3-12th grade Art Class

Current projects: 3rd-8th grade just completed “Grid drawing” with great success! Artists that influenced the students work during this project were Vangogh for the 3rd-5th graders & Roy Lichtenstein for the 6th, 7th & 8th graders and HS Art 1 & 2 are working on their grid and have various influences from a person that is/was influential in their life as a positive role model. Here are a few examples of their work:

“Putting the pieces together”:

(Oil pastel collaborative grid paintings.)

Inspired by Vangogh's Impressionist paintings the 3rd-5th has collaboratively created Oil Pastel paintings

FCA High School Students are using a Grid Method for accuracy inspired by the students own character selection of a person that has positively influenced them.

FCA Students grades 6th, 7th & 8th are using a Grid Method for accuracy inspired the Artists "Roy Lichtenstein

Up-coming projects: Grades 3-8 will be working on painting exercises and will be creating a unique “color wheel” with acrylic paints. Bring an old shirt if needed for class.
