This form is submitted to Fairfield Christian Academy Guidance office and is not to be confused with the Intent to Participate form that needs to be sent to the Ohio Department of Education.

This form will enable the guidance department to track your progress and send out reminders about the program.

Student Name \_\_\_\_\_

School Year of participation: \_\_\_\_\_

I would like to declare my intent to participate in the College Credit Plus program during the coming school year. I understand that signing this form does not require me to participate in CCP during the next school year and that I may decide not to participate without consequence.

I also understand that submitting this Letter of Intent does not guarantee admission to a college or university or the funding required to support my participation in College Credit Plus. I understand it is my responsibility to apply to a participating institution of higher education for admission under College Credit Plus, and that, upon admission to an institution of higher education, it is my responsibility to obtain, complete and submit an *Application for College Credit Plus Funding*.

In addition, I certify that I have received counseling about the College Credit Plus program concerning the rules and procedures for both my school and the college, and I understand my responsibilities, the benefits and possible risks of participating in the College Credit Plus program.
