Science Fair

The Science Fair will be taking place on **Friday, February 17th**. Consider having your 2nd-12th grader participate! If your child would like to participate but you are unsure how to proceed with the project, the teachers in our Science Department would be more than willing to help you! There are great resources online, as well! See the FCA website for registration and handbook links.

Knights' Night Out

It's planning time for our fabulous Knights' Night Out School Carnival! This indoor carnival will take place on **Friday, March 3rd** from 6:00 p.m. - 9:30 p.m. and will include all of your favorites: Bounce Houses, Games, Concessions, Bake Walk, Silent Auction, and the ever-so-famous Teachers' Baskets! Interested in volunteering? Stay tuned to find out what your teacher basket theme will be!

County-wide Math Competition

Does your child excel at math? The county-wide math competition will take place **Saturday, March 18th** from 9 am to 2 pm with lunch provided. Tests will include speed, mental computation, and team tests. Students in 2nd through 6th grade may register by **March 11th** to participate.
