- No School

February 20

- Spring Sports Meeting

New Emergency System

Instant Connect is the emergency notification program that will be replacing Honeywell beginning February 1st. If you would like to add additional numbers, you may create an account on the Parent Portal of Instant Connect. More information and instructions can be found on the school website.

Elementary Pick-Up

Students in grades K-4 will ONLY be released to individuals who are on your child's pick up list. If you have any question at all about whether or not an individual is listed on your child's pick-up list, please call the elementary office (ext. 237) to confirm.

Bus Reminder

If your child rides the bus, please remember this is an arrangement between you and the local school district. Each district has its own policy regarding certain aspects of transportation such as procedures for days when FCA is in session and the local district is not in session. Please check with your local district's Transportation Department to determine how such instances might affect your transportation needs.

Student Illness

If your child is not feeling well, your physician is the best person to consult about whether he can go to school. As a general guideline, please keep keep your child home if he has a fever, vomiting, or is possibly contagious. Please note that school guidelines include that students must be free of symptoms for 24 hours.

Summer Day Camp at FCA

School age summer camp is hoping to return for **summer 2017**. Please email Erica Neal at eneal@fcaknights.us if you are in need of school age care for the summer. A minimum of 15 children, entering first grade to sixth grade, will be needed for the program to operate.
