County-Wide Math Competition

The math competition will be taking place **Saturday, March 18** at FCA. Contact Matt Tobin by **Saturday, March 11th** at 17mtobin@fcaknights.us if you would like your child to participate!

Re-enroll Online

Current FCA families have received their re-enrollment letter with instructions. If you enroll after **March 31st**, then the enrollment fee of \$200 per student (\$300 max per family) will apply. So make sure you take advantage of this great incentive and it will assist us with planning the coming school year.

Standardized Testing

Please note the scheduled standardized testing dates on the left side of the Knights' News. Because we want your child to do their very best, we ask that students arrive on time to school having had a good breakfast. If at all possible, please try to refrain from scheduling appointments on these dates.

FCA's School Drama

This year, FCA will be presenting **Cheaper by the Dozen**. This play is set in 1925 and focuses on the patriarch of the Gilbreth family who is a time and motion expert. This means he specializes in helping his 12 children find the most efficient way to get things done. The show will leave you laughing about simpler times! Performances will take place on **Thursday, March 30th** and **Saturday, April 1st**. Tickets are \$5 for General Admission. Tickets may be purchased on the school website or at Door B. Doors open at 6:30 p.m.

Summer Camp at FCA

School age summer camp is returning this summer! Please email Karen Burcham at kburcham@fcaknights.us if you are in need of school age care for the summer.

Congrats to Scholarship Winners

Thanks to the National Inventors Hall of Fame and AEP, five students were awarded \$100 scholarships to attend Camp Invention! Congratulations to Hudson Harper (4th), Megan Mahoney (1st), Jocelyn Gribben (2nd), Caleb Gartshore (3rd) and Regan Seaman, the grandchild of Mrs. Seaman (FCA HS teacher)!
