Nursing Office Reminders

All medication maintained in the Nurse's Office needs to be picked up before the last day of school. Below is a listing of required immunization boosters.

Incoming 7th grader -- meningitis and TDAP

Incoming 12th grader -- meningitis.

Please provide us a copy of all immunizations at the beginning of the school year. FCA is required by the State of Ohio to document immunizations.

Used Uniform Garage Sale

There will be a Used Uniform Garage Sale on July 29th from 8 a.m. to Noon. FCA will offer you space in our FLC (Cafeteria) to setup your own "garage sale" to sell uniforms and spirit wear to other families. Sell your items at any price or give them away. Please plan to setup your own items, handle your own money, and "man your table" for the entire 4 hours. More information will follow via email.

New Uniform Sale

Educational Apparel will be at FCA on August 1st from 9:00 a.m. to 6:00 p.m. This is a great time to get new uniforms without having to travel to Hillard.

Camp Invention: Operation Keep Out

In all Camp Invention courses, students are encouraged to create, test and recreate! This course will be team taught by all three teachers. There will be lessons on invisible ink and rear-reflective spy glasses. They will discover a secret code called schematics to design alarms and will then use take-apart items to create their own alarm boxes!

Summer Adventure Day Camp

Will you need summer care for your school age child? FCA's Summer Adventure Day Camp is now enrolling! SADC is a 10-week summer program for children *entering* grades 1-6. Activities are planned around weekly themes and contain a Christ focus. Children travel to area pools, parks and attractions. We also plan for several in-house activities! If you are in need of school age care this summer, please email Danell Coleman at dcoleman@fcaknights.us.
