### Standardized Testing

Please note the scheduled standardized testing dates on the left side of the Knights' News. Because we want your child to do their very best, we ask that students arrive on time to school having had a good breakfast. If at all possible, please try to refrain from scheduling appointments on these dates.

### What is Missions Week?

High School Missions Week is an annual tradition at FCA that will be taking place the first week of May. Many seniors will be going to serve the homeless and less fortunate in Hawaii. Most of the remaining 10th, 11th and 12th graders will be serving at Echoing Hills, a summer camp for youth and adults with disabilities. Ninth graders will be working at the summer church campgrounds in Millersport as well as Timberpeg Tree Farm owned and run by FCA's middle school science teacher, Mrs. Hopple. Various students will also be assigned to service projects around FCA and Fairfield Christian Church. Please pray for good weather and good fellowship for our students and they give of their time and efforts to help others.

### Camp Invention for 6th-8th Grade

The Counselor-in-Training (currently 6th-8th graders) gain real world experience on how to be a positive mentor and coach. CITs guide Camp Invention participants through their day-to-day activities during the week of the local camp program and assist instructors. This year's instructors will be Mark Bowers, Stacie Hopple and Kelli Frye. Visit FCA's event page on Facebook to learn more!

### Plant Donations Wanted

As you are thinning out your gardens this spring, please donate flowers, fruit plants and vegetable plants to the FCA Ecology Club. Contact Mrs. Hopple with any questions.

### Elementary Field Day

Elementary Field Day will be taking place on Thursday, May 31st at the Fairfield County Fairgrounds. Teachers will be requesting assistance for games and general supervision as well as water and snacks. Contact Mrs. Wilkinson at [bwilkinson@fcaknights.us](mailto:bwilkinson@fcaknights.us) if you are willing to help with an olympic event!
