FROM THE SUPERINTENDENT

... Pursuing Excellence,
Building Character

Parents and Staff,

I have some exciting news to share with you about the expansion of one of our departments here at FCA!

- **Our EARLY EDUCATION DEPARTMENT**, which begins at age 6 weeks and goes through Preschool, is **EXPANDING!!!!** Plans are currently in the works for a 35% expansion project which will enable the Early Education Department to meet our community's demand for top-notch, professional, Christian care and early child education. Our first priority will be to open a 2nd Infant room with future growth leading to the addition of more classrooms. Over the past several years, the childcare need has continued to rise beyond our capacity, especially at the Infant/Toddler level, which has led to this exciting development. God has heard the prayers of so many and is using our hands and hearts to think outside the box and utilize the resources available right here at FCA!
- Additionally, Karen Burcham has come back to her Early Education roots and will be serving as part of the Early Education Administration Team. We are excited to have her talents and gifts being used to serve our little ones! Please keep us prayerfully in your thoughts as we move into this next season of serving, and please be sure to spread the word!!!
