FCA 3-12TH grade Art Class

******Congratulation to the students who are soon to be inducted into National Art Honors Society and Jr. National Art Honor Society.***

A glimpse into the "ART ROOM"

3rd graders are exploring the techniques that develop independent creative thinking:

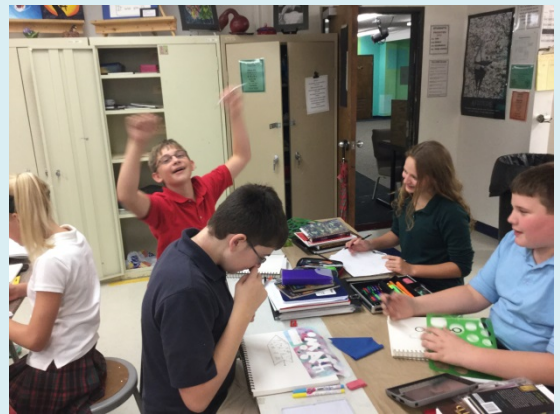

4th grade has been exploring Mandala's making a connection to Symmetry, Screen printing, and clay whistles. The 4th graders will be starting on Dream Catchers to cross the curriculum reinforcing American History and their Art:

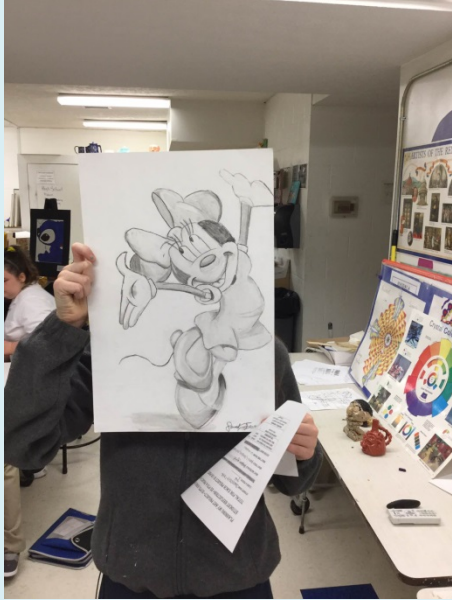

5th grade has been working of Clay Bird Houses and will be making clay beads for their Dream Catchers relating to Native American Art they are currently studying in American History: Photo's coming soon!

**6th & 7th graders have completed “Grid Drawing”,
clay whistles and are currently working on
“Cubism”:**

8th graders successfully completed “Grid Drawing”, “Modern Sculpture”, and are currently working on the Cubists Art movement inspired by Pablo Picasso

High School Art Class:

Senior Project for one student “Sydney Tucker” was organizing “Volley for the Cure” and she used silk screening for produce the t-shirts for the event and raised an awesome amount of \$\$ for “THE CURE”!

***High School Art 1 & 2 are successfully completing
on “Grid Drawings”.***

***High School Art 1 & 2 are starting to develop
acrylic painting techniques and “Advanced Art”
has begun Oil Painting:***

HIGH SCHOOL PHOTOGRAPHY I CLASS

***Has been exploring basic composition
and lighting techniques:***

“That Fall Feeling is in the air!”
