

7th and 8th GRADE - 1st SEMESTER EXAM SCHEDULE – 2023-2024

Dear 7th-8th Grade Students and Parents:

Semester exams will be held on December 15th, 18th, and 19th. Please review the schedule closely and note that the exam blocks are designated by the class period number and day of the week. Exams will be given in the following academic classes: **English, Mathematics, Science, Social Studies, and Foreign Language**. 7th and 8th grade specials classes and non-exam classes may meet for an extended time to accommodate high school exams.

Exam grades for 7th and 8th are averaged in as one regular test grade for the 2nd quarter. Exams are considered comprehensive except 7th grade (7th grade will be given directions on all the material that will be covered on the exam).

Students are to be in attendance all three days. Elective classes will have a grade based on participation for the day of that class even though they do not have a formal examination. Study hall periods will allow students to study for exams yet to be taken. Absence or lateness on these days for any reason other than a documented medical, family emergency or pre-arranged absence request will result in an unexcused absent with a 0% for that class or exam.

For classes that meet on different days of the week during the period time slot, you will report to the class that you normally have on Friday, Monday or Tuesday unless your teacher alerts you to a change in your schedule.

Special Circumstances: In the event of closing school due to bad weather or other emergency the exam schedule will be pushed back and stay in the originally scheduled order. Tuesday, December 19th periods 1,2,5 - 7 may be used for makeups due to weather or student illness, and if needed we will schedule additional makeup days starting January 3rd after break.
