

## 7<sup>th</sup> and 8<sup>th</sup> GRADE – 2<sup>nd</sup> SEMESTER EXAM SCHEDULE – 2024-2025

Dear 7th-8th Grade Students and Parents:

Semester exams will be held on May 20, 21, 22. Please review the schedule closely and note that the exam blocks are designated by the class period number and day of the week. Exams will be given in the following academic classes: **English, Mathematics, Science, Social Studies, and Foreign Language**. 7<sup>th</sup> and 8<sup>th</sup> grade specials classes and non-exam classes may meet for an extended time to accommodate high school exams.

7<sup>th</sup>/8<sup>th</sup> graders in Algebra I will not have an exam due to the End of Course testing in April. This class may have a final unit/chapter test, project or activity during the exam time.

Exam grades for 7<sup>th</sup> and 8<sup>th</sup> are averaged in as one regular test grade for the 4th quarter. Exams are considered comprehensive except 7<sup>th</sup> grade (7<sup>th</sup> grade will be given directions on all the material that will be covered on the exam).

Students are to be in attendance all three days. Elective classes will have a grade based on participation for the day of that class even though they do not have a formal examination. Study hall periods will allow students to study for exams yet to be taken. Absence or lateness on these days for any reason other than a documented medical, family emergency or pre-arranged absence request will result in an unexcused absent with a 0% for that class or exam.

For classes that meet on different days of the week during the period time slot, you will report to the class that you normally have on Tuesday, Wednesday or Thursday unless your teacher alerts you to a change to the schedule.
