

## **9<sup>TH</sup> – 11<sup>TH</sup> GRADE – 2<sup>ND</sup> SEMESTER EXAM SCHEDULE – 2023-2024**

Dear 9<sup>th</sup> – 11<sup>th</sup> Grade Students and Parents:

Semester exams will be held on May 21, 22, 23. Please review the schedule closely and note that the exam blocks are designated by the class period number and day of the week. Exams will be given in the following academic classes: **English, Mathematics, Science, Social Studies, and Foreign Language**. Elective courses may have projects but no required exam. CCP and Ignitia classes may have a different exam schedule based on the individual program, please check with your instructor for those classes. There will be no exams in the following courses due to the End of Course Exam in April: Algebra I, Geometry, English 10, US History and Biology. These classes may have a final unit/chapter test, project or activity for the exam time.

Exam grades for 9<sup>th</sup>-11<sup>th</sup> grade are averaged into the 2<sup>nd</sup> quarter final grade. Exams are considered comprehensive.

Students are to be in attendance all three days. Elective classes will have a grade based on participation for the day of that class even though they do not have a formal examination. Study hall periods will allow students to study for exams yet to be taken. Absence or lateness on these days for any reason other than a documented medical, family emergency or pre-arranged absence request will result in an unexcused absent with a 0% for that class or exam.

For classes that meet on different days of the week during the period time slot, you will report to the class that you normally have on Tuesday, Wednesday or Thursday, unless your teacher alerts you to a change in your schedule.
