## Grade Forgiveness Request Form (Ohio Credit Flex Option)

Students may retake a course either in the classroom or on the Ignitia online platform to improve their semester grade(s) posted on the student transcript.

Forgiveness classes in the traditional classroom during the school year: Students may take as many courses as will fit into their traditional day schedule and must complete all the coursework required in the course.

Forgiveness classes on Ignitia: Students must complete the courses one at a time. Ignitia online courses utilize a pre-test option that identifies the areas of learning that the student needs to strengthen. Pre-tests must be completed prior to the start of the course. Once the pre-tests are complete, the student will be scheduled into an Ignitia lab during the school day, or with parent permission, can choose to work independently as the Ignitia program is available 24/7 if an Ignitia lab is not available or desired. Students will need to schedule with the Guidance Office to take the tests at the end of each unit if they work independently. The Ignitia Summer option requires a fee of \$160.00 per course and an additional registration form for each course. The Summer Option is the only one that requires an additional fee.

For students in grades 9-11, the original grade will remain on the transcript until the student completes the forgiveness course. The better grade will become the final grade for that course. Senior students need to work with the Guidance Office since transcripts for college acceptance may be needed during the 1<sup>st</sup> semester of the senior year.

I understand that by retaking this cours	se the better of the two grades will	be placed on my transcript.

If taking the course in the traditional classroom, I will be responsible to complete all of the requirements in the course. If taking the course on the Ignitia platform, I will need to take the pre-tests with the Guidance Office, then complete the course work either in the Ignitia lab or independently. All tests need to be proctored by either an Ignitia lab instructor or by the Guidance Department.

I will complete a separate form for each course that I would like to request under the Forgiveness Program as only one Ignitia course can be taken at a time.
