our risen  
**SAVIOR!**  
Easter Break  
April 14-21

Keith Dewese

### Knights' Night Out School Carnival

This year's Knights' Night Out all-school carnival is April 26th, 3-7pm and will be an indoor/outdoor event with food trucks, games/prizes, teacher basket drawings, bounce houses, bake walk and auction. This huge event takes many hands to be successful and promises fun and fellowship for all ages! Interested in volunteering the day of the event? Please reach out to Heather Keener at hkeener@fcaknights.us!

### From the Nursing Staff

Just a reminder to ensure that our students are safe and remain at their best, please email clinic@fcaknights.us with any of your students' health needs. If you want to email teachers, please also CC the clinic in your email.

### Ohio State Testing & End of Course Exams

Ohio State Testing will be March 31st-April 8th March 31st-April 8th. This is for students who are in grades 3 - 8, but additionally high school students taking Algebra I, Geometry, English Language Arts II, Biology, American Government and US History. Because we want your child to do their very best, we ask that students get a good night's sleep and arrive on time to school having had a good breakfast. If at all possible, please try to refrain from scheduling appointments on these dates.

### Easter Break

FCA will be on Easter Break April 14th-21st. If your child plans to be absent before or after the dates listed above, please fill out an Absence Arranged in Advance Form at least one week before the absence.

### Yearbook Information

Order 25-26 yearbooks now at jostensyearbooks.com! To order 6-12 hardcover yearbook, select Fairfield Christian Academy as your school. To order K-5 soft cover Elementary yearbook, select Fairfield Christian Elementary Academy as your school. Don't delay! Yearbooks can only be ordered online, FCA receives very few extras for purchase off the shelf.

### Who's Who

Keith Dewese is the Director of Technology at FCA. Initially, he was often "behind the scenes" but this year he has been working with our staff and students in a more hands-on way as well. The technological infrastructure which makes FCA run is extensive, and Mr. Dewese does a great job of making sure we all have what we need.
