Ohio State Testing & End of Course Exams

Ohio State Testing will be March 31st-April 8th. This is for students who are in grades 3 - 8, but additionally high school students taking Algebra I, Geometry, English Language Arts II, Biology, American Government and US History. Because we want your child to do their very best, we ask that students get a good night's sleep and arrive on time to school having had a good breakfast. If at all possible, please try to refrain from scheduling appointments on these dates.
