### Basketball Practices and Games

Now that the winter sports season is here, we need to share a few reminders. For the health and safety of the FCA community, student athletes and siblings need to be supervised at all times when in the building.

- Sibling spectators must remain with adults during games and practices. Even though younger siblings may be familiar with the building, they must remain with an adult at all times.
- Student athletes may not remain after school unsupervised until evening practices begin unless prior arrangements have been made with the coach.
- The tile floor gym may only be used with permission and may not be used during wood floor games.

Thank you and GO KNIGHTS!

### Upcoming Exams (7-12)

Students in 7th-12th grades will take 1st semester exams **Dec. 18-20**. Exam schedules can be found on the Secondary page on our website, [www.fcaknights.org](http://www.fcaknights.org).
