- No School

Fine Arts Night

We will be having our very first K-4 Fine Arts Night **Thursday, February 2nd** at 7:00 p.m. This will be a fun evening with all of our K-4 music students singing on stage together under the direction of Mrs. Thompson and Mrs. Coyan. Mrs. McKinnon has been working with the students and they will each have their very own art masterpiece displayed that evening. Please watch your email for further details regarding attire and attendance.

Science Fair Help Needed

Want to help with the FCA Science Fair on **February 17th**? There are several opportunities! You could help as a judge, hand's on as a volunteer or donate prizes as a business or individual. Please email Stacie Hopple at shoppole@fcaknights.us for more details.

Knights' Night Out

It's planning time for our fabulous Knights' Night Out School Carnival! This indoor carnival will take place on **Friday, March 3rd** from 6:00 p.m. - 9:30 p.m.! This great event is not possible unless many work together before, during and after! Interested in volunteering? Please let Heather Keener know!

Elementary Pick-Up

Students in grades K-4 will ONLY be released to individuals who are on your child's pick up list. If you have any question at all about whether or not an individual is listed on your child's pick-up list, please call the elementary office (ext. 237) to confirm.

Bus Reminder

If your child rides the bus, please remember this is an arrangement between you and the local school district. Each district has its own policy regarding certain aspects of transportation such as procedures for days when FCA is in session and the local district is not in session. Please check with your local district's Transportation Department to determine how such instances might affect your transportation needs.

Summer Day Camp at FCA

School age summer camp is hoping to return for summer 2017. Please email Erica Neal at eneal@fcaknights.us if you are in need of school age care for the summer. A minimum of 15 children, entering first grade to sixth grade, will be needed for the program to operate.
