Re-enrollment Time is Here!

Re-enrollment for the 2018-2019 school year is now open. Please be on the lookout for your student's Back-to-School Enrollment Letter with instructions and individual passcode. Special "Early Bird" Offer: If you re-enroll your student(s) by April 6, 2018, the \$200 per student (\$300 family max) enrollment fee is waived! After April 6th, regular enrollment fees will apply.

Open House

FCA has scheduled several open houses for the upcoming school year. On **March 8th**, there will be an open house at 6:30 pm. If you are aware of anyone who would like more information about FCA, please invite them to an upcoming open house.

Knights' Night Out

Please plan to attend the Knights' Night Out Carnival on **Friday, March 9th**. **Do you know the theme of your child's homeroom basket?** Have you signed up to help yet? Email Heather Keener at hkeener@fcaknights.us or sign up in the foyer!

Congrats to FCA Students

The State Fire Marshall visited FCA students on Thursday, February 15, 2018 to award state recognition to two students for their excellent artwork for fire safety and fire prevention! The posters of Luke Lawhead in third grade and Brooklyn Harmon in fifth grade were two of twelve drawings that will be used to increase fire safety awareness by the State Fire Marshall.

Camp Invention Returns

FCA will be hosting Camp Invention for a fourth year the week of **June 18th!** In the **Mod My Mini Mansion™** module, campers will dream up and design their very own futuristic smart home filled with gadgets, LED's, and technology. They will make their own take-home mini mansions and explore renewable sources to power up their eco smart homes. They will discover the Internet of Things and how smart devices are connected and controlled. And they will change letters into numbers using binary code to create a message.
