CAMP INVENTION
June 15-19, 2020
9:00am - 3:30pm

(before and after care available)
To learn more, visit campinvention.org
or email Stacey.Rauch@fcaknights.us.

Knights' Night Out

The Knights' Night Out is just a few weeks away! Volunteer sign up sheets are in the foyer! If you don't have an opportunity to stop in, just email Heather Keener at hkeener@fcaknights.us. We can find a place for you! If you would like to donate pop, our concession crew would appreciate your help in purchasing 20 oz. bottles of any brand/ flavor. We are also still seeking donations for our silent auction and teacher baskets! Please see your email for further details!

Athletic Booster Meeting

Have you seen the plans for the field house on the wall at Door B? Great things are in store for FCA athletics! If you are a booster member, please consider joining us the first Monday of every month as we discuss the future of our athletic program.

Easter Break

FCA will be on Easter Break **April 13th** through **April 17th**. If your child plans to be absent before or after the dates listed above, please fill out an Absence Arranged in Advance (AAA) located on the school website or outside your child's main office. Please return it to the school at least 5 school days prior to your child's planned absence.

Spring Hill Day Camp

SpringHill Day Camp will be at Fairfield Christian Church the week of June 29th for students in preschool through 5th grade. Each day of camp includes: small group Bible teaching, high-energy large group sessions, and adventure activities such as archery, bungee trampoline, a climbing wall, crafts and more right here on the campus of FCC/FCA. Camp scholarships are available. Email Randi Reid at rreid@fairfieldcc.org for more information.

Camp Invention: Champions

Children will discover the game-changing inventors behind their favorite sports. By applying creative problem-solving skills and using inspiration from these great inventors, they develop their own games, equipment and sports facilities. Campers will create and play their own high-energy hover ball games. They will trade inventor playing cards to assemble their own "Innovation Dream Team." They will also design and build the ultimate sports complex.
