

## Virtual Field Trips

Our teachers have been hard at work on a project designed to keep FCA students engaged right through the last day of school. School is closed on Monday, May 25th, but beginning 9:00 A.M. on Tuesday, May 26th, FCA students will be traveling the globe by taking virtual field trips to a host of places from underground caves to outer space and everything in between! We told teachers to choose a destination or a topic about which they were passionate and they came up with amazing and creative field trips.

- Learn about Google Street View with Mr. Hawks!
- Discover what NASA is planning for 2020.
- Explore an underground shipwreck.
- Find out the difference between Easter Island and Ellis Island.
- Hike through Hocking Hills.
- How is chocolate made?
- Travel to Ireland and the Moon.
- And many, many more!

We will be encouraging students to take two “trips” a day and learn many new things in a fun and interesting way. We imagine that students will also get to know the FCA teachers a little better, as well. Students will be sent instructions in their Google Classroom for accessing the field trips through the [school website](#).

## Medication Pick Up

All student medications, prescription and over-the-counter, will be available for pick up during the last week of school. New Medication Administration Request forms will be provided at that time as well. You are encouraged to complete the forms over the summer so that they are ready at the start of the 2020-2021 school year. Medications may not be maintained in the school nursing office over the summer. If not picked up, they will be disposed of properly. Please direct any questions you may have regarding medication pick up to Kristen Powell at [kpowell@fcaknights.us](mailto:kpowell@fcaknights.us).

## Drop Off/Pick Up Plan

On May 26th, 27th, and 28th, K-11 families may return materials (textbooks, calculators, chrome books, library books, etc) to FCA and pick up personal belongings. You will receive an email with detailed instructions about the specific times for each family to arrive. This drop off/pick up will take place in the parking lot by the barn and students/families will not be permitted into the building.
