Blood Drive
- February 19  
Jean Day

“The Son of God became a man to enable men to become sons of God.”

C. S. Lewis

*Merry Christmas!*

### *A Message from FCA's Superintendent*

Dear FCA Families,

We are nearing the end of the second semester and have continuously been able to provide five day a week onsite instruction since August. We think that is something to celebrate! Although we recognize that many FCA families have been impacted by the virus, we are thankful that the number of students and staff who have tested positive remains low. Thank you to the many people who have prayed for God's continued blessing on FCA.

Many of us will be choosing to have smaller gatherings this year for Christmas and that idea caused me to reflect on the fact that the very first Christmas was the smallest of gatherings. Christ entered the world's stage with no fanfare, witnesses or big brass band. He instead appeared quietly and without hardly any earthly notice. Despite his meager entrance, his life and death became eternal hope for all mankind. In whatever way you celebrate this year, my sincere prayer is that Christ is the guest of honor and that his Word is central to your day. At your celebration, please share the good news of Christ's birth from Luke 2:1-21, for it is indeed good news!

Merry Christmas,

Craig Carpenter, Superintendent

### *FCA's Family Day of Kindness*

Thank you to all who participated in FCA's inaugural Family Day of Kindness! All K-12 students were encouraged to show Christ's love to those in their community and it was wonderful to see the various ways our staff and students participated! If you would like to learn more about the ways that FCA impacted our community recently, please feel free to visit our Facebook page to view the photo album we compiled

### *Business Sponsor Spotlight*

With a new emergency room and additional medical testing facilities on Memorial Drive, [Fairfield Medical Center](#) has made medical care even more available! Patients can expect the same great care that is also available on North Ewing Street.
