From the Superintendent's Office

Romans 12:1-2 are the words of Scripture that FCA has adopted as our school verses. Each year, we create our goals around these verses as a guide for all we try to do. Our hearts desire is to help students see that genuine Christian faith requires sacrifice and self discipline as we strive to be more like Christ and less like the "patterns of this world." Unfortunately, the world is providing students with a steady stream of ways to conform their thinking to the world through outlets such as TikTok, social media, and video games. This Easter, we pray that you will be intentional in finding opportunities as a family to counter these influences by *seeking opportunities to transform our hearts and minds to be more like Christ* and less like the world. Participate in a social media fast together, serve together in the community in some way, spend quality time together as a family, invest time together in helping someone in need, or commit to weekly family devotions. These physical acts of discipline lead to the transformation that can and will take place as our minds are renewed by thinking on the things of Christ and not on the things of this world. During this precious Easter season may we look to Jesus Christ and the perfect example He gave of sacrifice and self discipline by offering Himself as the ultimate living sacrifice for our sins.

Sincerely,
 Craig Carpenter, Superintendent
