Standardized Testing (3rd - 11th Grades)

Standardized testing will occur during the week of **April 17th - April 21st**. The Ohio State Testing will be given to students in grades 3-8. The End of Course exams for Algebra I, Geometry, English Language Arts II, Biology and US History will also take place during that week. Because we want your child to do their very best, we ask that students get a good night's sleep and arrive on time to school having had a good breakfast. If at all possible, please try to refrain from scheduling appointments on these dates.

Shadowing Opportunity

FCA allows guest students (friends or family currently attending another school) to shadow one-at-a-time if they are interested in attending FCA next year! We love to host interested students individually so they can get a feel for our school and see if FCA is a fit for them. If you know someone who might be considering FCA for next year, please have the family email hkeener@fcaknights.us requesting a shadow day. Please include guest's name, current grade and hosting student's name.

Easter Break

FCA will be on Easter Break **April 3rd through April 10th**. If your child plans to be absent before or after the dates listed above, please fill out an [Absence Arranged in Advance](#) (AAA) located on the school website or outside your child's main office. Please return it to the school at least 5 school days prior to your child's planned absence.
