SCIENCE FAIR

**No School
10/11 - 10/13**

Appointment and Absence Reporting

FCA has a centralized attendance office for grades K-12 located at Door B. If your student is absent or will be picked up early for an appointment, please email busattendance@fcaknights.us to reach staff on duty. Please do not send a note in with your student as those tend to get lost in the shuffle.

Ordering Picture Day photos

Pictures from today's Picture Day will be uploaded to <https://shop.jostenspix.com> for viewing and purchase. FCA's event code will be assigned once our pictures have been uploaded. Stay tuned for more information in the next week or so. Purchases are online only. Retake day is October 27th.

Red Cross Blood Drive

Our first blood drive, coordinated by Caitlin Blair for her Senior Project, takes place on **Friday, October 6th** from 8:00-1:00 in Room 402. Please visit redcrossblood.org to register for an appointment.

Birthday Book Club

The new FCA Birthday Book Club is up and running! Participating students will have their name and birthdate in a new book of their choosing and that book will be added to circulation. All interested students may submit the membership form and \$15 to the Elementary Office.

Science Fair Mentor Program

Science Fair volunteer mentors, along with teachers meet with elementary and middle school students one day every other week after school from 3:00 to 3:45 in the student center, from the end of October to the middle of December. Please email Nelena Liff at nelena_b@hotmail.com for more information. Volunteers are required to complete a background check.

How to Fund Lunch Accounts

LINQ Connect allows families to make an online payment to their student's lunch account and monitor transactions. Create an account at <https://linqconnect.com> with student ID found in PowerSchool, numbers only. Lunch accounts are pre-pay only, not charge accounts. Incidental negative balances are due immediately.
