Basketball Practices and Games

Now that the winter sports season is here and we have moved indoors for basketball, we would like to share a few reminders. For the health and safety of the FCA school community, student athletes and siblings need to be supervised at all times when in the building.

- Sibling spectators must remain with adults during games and practices. Even though younger siblings may be familiar with the building, they must remain with an adult at all times.
- Student athletes may not remain after school unsupervised until evening practices begin unless prior arrangements have been made with the coach.
- The tile floor gym may only be used with permission and may not be used during wood floor games.

Thank you and GO KNIGHTS!

Vacations (Pre-arranged Absence)

"Absence Arranged in Advance" or "AAA Form" per the handbook: An absence must be arranged in advance in order to be excused due to family vacations, church group retreats, college visit days, etc. Parents are to request assignments at least five (5) days before going on a trip.

Upcoming Exams (7-12)

Students in 7th-12th grades will be taking 1st semester exams **December 15th-19th**. Students in College Credit Plus (CCP) will have a different exam schedule, so students may refer to their class syllabus or check with the instructor. Exam schedules for grades 7-12 will be handed out to students.
