JEAN DAY January 19

FCA families, this is a friendly reminder from our handbook...
"All medications, including over-the-counter medications, must be kept by the nurse, not in a student's purse, locker, pocket, or lunch bag."

Shadow Day for 6-12 grade guests

We've got a group shadow day coming up for guests checking out grades 6-12 at FCA! If you have a student in grades 6-12, they are welcome to bring a guest on Jan. 12. Register via email hkeener@fcaknights.us. Know someone interested in shadowing? We can find them a host for the day! Registration: fcaknights.org/ShadowDayatFCA.aspx. Guests in grades 3-5 will be accommodated individually on another day.

School Board Info

As a private institution, FCA's school board operates differently than a public school board. First, the FCA school board is appointed, not elected. Additionally, the board includes three ex-officio members (FCA superintendent, lead pastor of FCC, and FCC elder). Finally, the board is a policy board and not an operational board. School board info can be found at fcaknights.org/SchoolBoard.aspx.

Parent Teacher Conferences

Conferences are available Jan. 18 3:30-7:00 p.m. Email Sarah Harper (K-5) sharper@fcaknights.us and Samantha Rhodes (6-12) srhodes@fcaknights.us. Vanessa Pritchard at vpritchard@fcaknights.us can also schedule K-12.

Closings and Delays

Announcements about school closings and delays will be sent out to parents and guardians via phone, text and email. Information will also be posted on our website, social media and on the local TV stations. The schedule for a two hour delay can be found on our Forms and Information web page. Please let FCA know if you have changed your phone number.

Medications at School

Students are not permitted to carry any medications with them throughout the day or to store medications in their lockers or backpacks. All medications, including OTC medications (Tylenol, allergy medication, etc.) are to be kept in the nursing office. Please help us by making sure you keep the nursing office informed of any medications your child needs to take while at school and by reminding your child that they are not permitted to carry medications while at school. Our nursing office is staffed every day to help keep everyone safe and healthy!
