

## Science National Honor Society Application Form

The purpose of Science National Honor Society is to encourage participation in and recognition of scientific and intellectual thought, to advance the students' knowledge of classical and modern science, to communicate with the scientific community, to aid the civic community with its comprehension of science, and to encourage students to participate in community service and, in turn, encourage a dedication to the pursuit of scientific knowledge that benefits all mankind.

The Fairfield Christian Academy National Honor Society is dedicated solely to the sciences. The aspiration of this particular chapter is to recognize students for their exceptional dedication to the science field.

Interested students need to fill out the application on the second page and return that to the society advisor, Mrs. Kelsey Brake\* (Room 507), or the secondary advisor, Mrs. Hollandsworth (Room 508), no later than 3 pm on October 13th.

When filling out the application please get your teacher's signature for confirmation of grades. Additionally, please fill out the form in **black or dark blue ink**. Any forms turned in incomplete will not be evaluated.

## Qualifications for Science National Honor Society:

- Applicants must be a junior or a senior enrolled in Fairfield Christian Academy.
- Applicants must have an A average (90 or above) in Biology during or prior to their junior year.
- Applicants must have an A average (90 or above) in Chemistry during or prior to their senior year.
- Applicants must be or have been enrolled in 1 honors science class and passed or are passing with a B average or higher (80 or above).
- Applicants must be a student in good standing with no suspensions from school in grades 9 to 12.
