### Online Format:

To increase access and meet the needs of high school students, many courses are offered online. With online courses, students complete their weekly learning activities in an asynchronous way (not necessarily at the same time as others). These courses are designed with many community features to encourage a social learning environment for students. Professors are accessible and provide multiple forms of interaction and feedback to enhance student connection.

### Spring 2024 Important Dates:

- Dec 5     Spring Testing Deadline
- Dec. 8     Spring Registration Deadline
- Jan. 3-5   New Student Online Orientation
